

HORNET HAPPENINGS

Family Communication

For the month of: January 2023

GREAT THINGS ARE HAPPENING!

A huge shout out to the Saucedo Tovar Family that donated their time and talent to paint the house, which will be used for many community projects and events. Take a look at their work!

WINTER INTERSESSION

Our Winter Intersession was a success! Take a look at what students were up to during Week 1 and Week 2.

Important Survey regarding Highspeed internet!

The County of Merced is requesting the community of El Nido to submit the Internet Survey to assist in bringing high-speed internet to El Nido. [Link to Survey](#)

 - DELAC/LCAP Meeting in Multi-Purpose Room @ 4:30 p.m.
- Fresno State Parent University Courses will begin in February 2023
 - More information to come.

HEALTH UPDATE

As we start the last half of the school year it is important students are coming to school everyday. Although your child may have a cough they can still attend school but take precaution by wearing a facemask. Please note this is recommended but not mandatory. Your child must stay home if they have a fever higher than 100.4 degrees. If you have any questions, please contact the office. Let's strive for good attendance this trimester!
